CAPITOL REMOVAL COMMITTEE

An Enthusiastic and Profitable Meet-  
ing

The meeting of the central  
capitol removal committee yester-  
day afternoon was the largest  
and most enthusiastic yet held.  
Reports received from various  
counties were the most encour-  
aging yet held.

The following new members  
were elected: C. W. White of  
Citrus, D. H. Irvine of Orange  
Lake, J. R. Moorhead, O. T.  
Green, Judge McConathy of  
Ocala, and Maurice Strauss of  
Dunnellon, were assigned to the  
following committees, organiza-  
tion, Maurice Strauss who was  
made a campaigner.

The seven persons named by  
the chairman of the democratic  
executive committee, was in-  
creased to every member of that  
committee, thirty in all, and  
added to central committee.

Captain Baker, our state sena-  
tor, living in Lake, in a letter  
said he would do all he could to  
further the cause of Ocala.

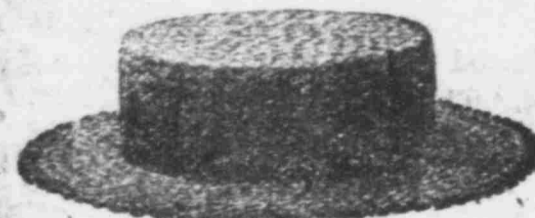

R. L. Anderson then reported  
on his and Mr. Burford's visit to  
Leesburg, in substance as al-  
ready reported in these columns,  
except that in their audience  
were 15 to 20 ladies who greatly  
inspired these gentlemen to plead  
Ocala's cause. He said they  
only met two persons, Dr. Butler  
and J. T. Luney, in Leesburg  
who were outspoken for Jackson-  
ville and would do all they could  
for her. Mr. Anderson then de-  
tailed Mr. Robert McNamee's  
interview with him about calling  
a convention or primary to as-  
certain the strength of the respec-  
tive candidates for capital  
honors, and the place proving  
the strongest be selected on  
which to concentrate our votes  
in November as opposed to Talla-  
hassee; without such action we  
would only be dissipating our  
strength and continue the capitol  
at Tallahassee.

He said Mr. McNamee had no  
authority to speak for Jackson-  
ville for whom he was working,  
but Mr. A. suggested that he  
get such authority. Mr. Ander-  
son then introduced a resolution  
which passed unanimously, that  
Ocala present some such a pro-  
position to all the aspirants,  
naming place of meeting at  
which the details be arranged  
for holding such a primary on  
the basis of a plurality vote, and  
under that resolution the execu-  
tive committee of the Ocala or-  
ganization will meet today to  
get up a formal proposition and  
forward same to other aspirants.  
Messrs. Harris, Strauss,  
Hoeker, Weathers and Burford  
heartily approved Mr. Ander-  
son's resolution.

Mr. W. P. Haisley was then  
called on for an expression of  
views, having spent a month in  
and around Tampa and at his  
orange grove in old Tampa Bay.  
He made his business to do mis-  
sionary work, he saw a number  
of the leading citizens and old  
acquaintances of the place and  
every man he spoke to or dis-  
cussed the removal question,  
favored Ocala over other aspirants.  
He interviewed the editor  
of the Tampa Herald, who said  
he was for Jacksonville, but  
intimated he might be induced  
to change his views for a high  
priced consideration but, rugged

and spoken to him about an  
editorial in the Herald favoring  
Jacksonville, to which they were  
opposed.

He said Tampa was not a can-  
didate for capital honors, as it  
was not centrally located. Mr.  
Haisley's talk was vociferously  
cheered and he was thanked and  
voted a member of the central  
committee.

Mr. Allred read a number of  
very encouraging letters from  
Volusia, Hernando and other  
counties, all favoring Ocala.  
The Volusia letter said it was  
not a unit for St. Augustine by  
several numbers.

A number of reports come in  
from different counties saying  
that if Ocala was in dead earnest  
they would support her. A few  
favored Jacksonville because  
she was the largest city and had  
the most money.

The committee knew Ocala is  
in dead earnest and in the lan-  
guage of the "Ocala Editor,"  
will make a fight to win.

C. L. Bittinger reported on  
advertising space.

C. M. Brown was made chair-  
man of postoffice addresses of the  
white democratic voters.

Will Sinclair, who has been  
roaming over the state, said a  
leader in Bradford told him  
Ocala had a good fighting chance  
for that county.

A FAIR PROPOSITION

Ocala Submits to the Other Candidates  
for the Capitol a Plan by Which the  
Rival Claims can be Settled

The following letter has been sent  
to the capitol removal association of  
each of the cities of Jacksonville, St.  
Augustine, Lake City and Gainesville  
by authority of the Capitol Removal  
Association of Ocala:

Ocala, Fla., July 27, 1900.

Gentlemen—By authority given the  
undersigned Executive Committee by  
the Central Committee on Capitol Re-  
moval of Ocala, at a meeting held in  
said city July 26th, 1900, we hereby  
submit to the various authorized com-  
mittees representing the cities of Jack-  
sonville, Lake City, St. Augustine and  
Gainesville, the following proposition,  
which is designed to settle the claims  
of the five cities east of the Suwan-  
nee river who are the avowed candi-  
dates for location of the state capitol,  
and to select one of these five cities  
as the competitor of Tallahassee in the  
next November election, to receive the  
united support of the voters who de-  
sire removal of the state capitol

It requires little reflection to per-  
ceive that the friends of capitol re-  
moval must become united in action  
in order to effect their purpose. The  
claims or aspirations of no particular  
city should be allowed to defeat the  
movement, founded in justice to the  
largest number of our citizens, for  
the removal of the capitol from Talla-  
hassee.

It is but just, therefore, that all com-  
peting places should submit their  
claims in a preliminary contest, which  
we are authorized to propose, and  
which we do in the following general  
terms, the details to be arranged at  
meeting of representatives of the vari-  
ous committees of the several con-  
testants, to-wit:

First, that a primary election shall  
be held on some day in September or  
October, 1900, to be participated in by  
the white, democratic voters in all the  
counties which by any authoritative  
public or official action shall announce  
themselves as favorable to removing  
the capitol from the city of Tallahas-  
see.

Second, that in this primary the  
place to be voted for shall be the cities  
of Lake City, St. Augustine, Gaines-  
ville, Jacksonville and Ocala, which  
are the avowed competitors for the  
location of the capitol.

Third, that, for the purpose of car-  
rying into effect this proposition, and  
making it authoritative, the represen-  
tatives of the cities above named shall  
meet at Palatka, Florida, or some other  
convenient point, at an early date  
to be arranged, each of said compet-  
ing cities to have equal representation  
at such meeting.

This communication will be ad-  
dressed to the capitol removal asso-  
ciation of each of the cities of Jack-  
sonville, St. Augustine, Gainesville  
and Lake City. We respectfully re-  
quest that you take early and official  
action upon the foregoing proposition  
and advise us promptly of your action  
in the premises.

Signed by Executive Committee: W.  
S. Bullock, Chairman Central Commit-  
tee; R. A. Burford, Chairman Cam-  
paign Committee; R. L. Anderson,  
Chairman Organization Committee;  
D. E. McIver, Chairman Finance Com-  
mittee; N. M. Allred, Chairman Head-  
quarters and Correspondence Commit-  
tee. D. S. Williams, Secretary.
